

2022 Radiance Community Pool Rules

**No lifeguard on duty
Swim at your own risk
Parents are responsible for their own children**

1. Only key holders, members of their household, and member guests may use the pool. Please be aware that duplicating your key or loaning it out are grounds for immediately revoking your pool membership for the 2022 season.
2. Apply sunscreen at least 45 minutes before coming to the pool, then *always* shower before swimming to minimize the chemicals and hours needed to keep the pool water clean.
3. Children under 12 must be accompanied by a guardian 16 years of age or older. Swimming with a buddy is strongly recommended for all swimmers and is required for children 12-16 years of age.
4. Maximum ratio of children to adults is 4 to 1.
5. Pool gate must be locked at all times—no exceptions. Always be sure the gate is locked when you leave the pool area. Children under 12 may not operate the pool gate lock.
6. Do not dive, run, or play rough within the pool fence. Do not jump/dive from pool furniture, bench, or baby pool wall into the pool.
7. No electrical plug-in appliances may be used at the pool.
8. No smoking.
9. No alcoholic beverages.
10. No glass containers inside the pool fence.
11. Pool toys will be allowed at the pool only if you bring your own and take them out when you leave. All items left at the pool at the end of the day will be thrown away.
12. Do not use rocks, coins, water balloons, objects filled with sand, or foam beads, for example, in the pool; these can clog the pool filter or discolor the pool's surface.
13. Do not play on or with pool equipment or furniture. Do not climb on or over the pool fence.
14. No pets may be brought inside the pool fence.
15. Put all trash in the trashcan. *The recyclables-only receptacle is for coded plastics, metal cans, etc.*
16. Babies must be in swim diapers—not disposable diapers—in the pool. All diapers must be disposed of *at home*.
17. The member is responsible for all damage, intentional or unintentional, resulting from the conduct of a family member or guest.
18. Members must accompany guests to the pool.
19. Quiet must be observed at the pool after 10:00 pm. Please respect the rights of nearby residents.

2022 Radiance Community Pool Rules

The Radiance Community Pool **Supplemental Rules**, adopted in view of the ongoing COVID-19 pandemic, are listed below.

Note that the RPOA Board reserves the right to revisit these rules at any time should the situation with respect to COVID-19 change dramatically.

- If you are not feeling well, stay home, even if you do not believe you have COVID-19 specifically.
- If you or any member of your household has been exposed to someone who has a confirmed case of COVID-19, stay home. Avoid using the pool for 3 days.
- If you are diagnosed with COVID-19 within a week after using the pool, please inform the Pool Liaison (512-964-0868) so that she can contact other pool users if necessary.
- In 2022, pool parties are once again permitted provided they have been scheduled with the Pool Manager in advance. Parties are capped at 15 attendees and the ratio of 1 adult to 4 children must be maintained. See the document (forthcoming) posted at <https://radiancetx.org/pool> for the responsibilities of pool members for scheduling and hosting pool parties safely and responsibly.
- In 2022, bimonthly community potlucks are once again permitted, provided that at least one Radiance resident has signed up to host a particular potluck. Please note: the responsibility for hosting potlucks will no longer fall to the Community Manager, Pool Manager, or RPOA Board. See the document (forthcoming) posted at <https://radiancetx.org/pool> for the specific responsibilities of potluck hosts.
- Pool members are permitted to invite only 3 guests to the pool at any one time.
- During the 2022 pool season, the total number of persons at the pool will be capped at 20. If you arrive to find that the pool is already near capacity, consider returning at a later time. If you are there with a larger-than-average group, limit your time to less than 2 hours so that others may also enjoy a relatively uncrowded pool.
- Out of respect for other pool users, social distancing is strongly encouraged.
