

Radiance Pool Potluck Host Guidelines 2022

All pool rules apply: see https://radiancetx.org/wp-content/uploads/2022/04/2022-Standing-and-Supplemental-Rules_RadPool_FINAL.pdf

To repeat some: no glass, no smoking, no alcohol, no pets, no fire/barbecues anywhere on pool property. Please remind any forgetful potluckees.

Radiance Potlucks start at 7pm, alternating Sunday evenings. The tentative potluck schedule begins 12 June. Please note: *Other pool members are allowed to use the pool at any time, including during potluck time slot.*

Potluck host checklist

- Remind guests shower thoroughly prior to getting in the pool water.
- Make sure all guests take out what they bring in, including toys *and used diapers*.
- Make sure pool water is kept clear of food and drink. Before leaving, remove any potluck debris from pool water, skimmer baskets. Pool net is stored on the side of the pool shed wall.
- Sweep your potluck's areas clean of food and debris. Dustpan and broom are hanging in pergola.
- Haul trash and recycling out, to be disposed of at your place.
- Turn off all lights on pool grounds.
- Make sure the pool gate locks securely behind you when you leave.

Potluck requirements

1. Potluck duration is 3 hours, maximum. This is out of consideration for all other Radiance Pool users. There is a "no noise after 10 pm" rule inside Radiance's borders. All pool potlucks (including host's cleanup) need to be finished by 10 pm.
2. **Pool gate must remain locked at all times. No exceptions. Please do NOT prop the gate open. Our insurance policy AND Texas state law require the pool gate to be locked.** Leave your key in the lock, and consider tying it to the gate so no one mindlessly pockets the key.
3. A walkthrough with the pool manager or RPOA board member at the end of your potluck may be required. This is to verify that the potluck host checklist has been successfully completed.
4. *Tentative* Radiance Potluck Schedule starts 7pm Sunday June 12, then occurs alternating Sundays (subject to change, and pending hosts' signup).
