

2024 Radiance Community Pool Rules

No lifeguard on duty

Swim at your own risk

Parents are responsible for their own children

1. Only key holders, members of their household, and member guests may use the pool. Please be aware that duplicating your key or loaning it out are grounds for immediately revoking your pool membership for the 2024 season.
2. If you plan to use sunscreen, apply it well before you come to the pool, then *always* shower before swimming to minimize the chemicals needed to keep the pool water clean.
3. Children under 12 must be accompanied by a guardian 16 years of age or older. Swimming with a buddy is strongly recommended for all swimmers and is required for children 12-16 years of age.
4. Maximum ratio of children to adults is 4 to 1.
5. If you are not feeling well, stay home, even if you do not believe you have COVID-19 specifically.
6. Pool gate must be locked at all times—no exceptions. Always be sure the gate is locked when you leave the pool area. Children under 12 may not operate the pool gate lock.
7. Do not dive, run, or play rough within the pool grounds. Do not jump/dive from pool furniture, bench, roof, or baby pool wall into the pool.
8. No electrical plug-in appliances may be used at the pool.
9. No smoking.
10. No alcoholic beverages. *If you or your party are found with alcohol at the pool, or if anyone in your party appears to be drunk, your pool membership will be revoked for the 2023 season.*
11. No glass containers on pool property.
12. Pool toys will be allowed at the pool only if you bring your own and take them out when you leave. All items left at the pool at the end of the day will be thrown away.
13. Do not use rocks, coins, water balloons, objects filled with sand, or foam beads, for example, in the pool; these can clog the pool filter or discolor the pool's surface.
14. Do not play on or with pool equipment or furniture. Do not climb on or over the pool fence.
15. No pets are allowed inside the pool fence.
16. Put all trash in the trashcan. *The recyclables-only receptacle is for coded plastics, metal cans, etc.*
17. Babies must be in swim diapers—not disposable diapers—in the pool. All diapers must be disposed of *at home*.
18. The member is responsible for all damage, intentional or unintentional, resulting from the conduct of a family member or guest.
19. Members must accompany guests to the pool.
20. Quiet must be observed at the pool after 10:00 pm. Please respect the rights of nearby residents.
